Andrea Kay Opticians

DISPENSING MANAGER

Are you an Optical Dispenser who loves helping people, takes pride in getting things right and wants to be more involved in shaping the future of a practice?

A truly independent, optical practice with a friendly, close-knit feel.
Our core values of: Trust, Integrity and Communication are at the heart of everything we do.
We want our clients to leave happy, our team to feel valued and our practice to continue to grow.

RESPONSIBILITIES:

- Choosing, fitting and supplying appropriate frames and lenses.
- Checking orders, chasing jobs and understanding how to resolve problems when they arise.
- Helping select the frames and lenses that make our practice special.
- Managing all aspects of stock, including ordering and pricing.
- Teaching clients about contact lenses.
- Helping shape and manage the dispensing side of the practice.

WE'RE LOOKING FOR:

Someone who:

- Has excellent dispensing skills and takes pride in their work.
- Enjoys building relationships and getting to know clients.
- Has a good eye for quality, detail and appropriate frame and lens choices.
- Likes taking responsibility and finding solutions.
- Wants to influence how a practice develops and grows.
- Gets satisfaction from helping people and making a difference.

You don't have to be an experienced manager. We'll provide the management training. What matters most is your dispensing experience, enthusiasm and desire to make a difference.

Position: Full-time Dispensing Manager (including Saturdays).
Dispensing experience: Essential.
Management training: Provided.

Interested? We'd love to have a conversation and tell you more about the practice and what we could achieve together.
